Job Description

The [School of Management](#) at the University at Buffalo (State University of New York, SUNY at Buffalo), invites nominations and applications for one position at the rank of Clinical Full Professor (10-month) in the Marketing Department. This position will be expected to contribute significantly to the teaching, service and community engagement efforts in marketing with special emphasis on managing our behavioral lab and building an outreach to the business community to engage with faculty working in the behavioral lab.

The successful candidate will have:

- A successful record of experience at the rank of full clinical professor at an AAU University.
- A demonstrated record of success as an academic leader and team builder, developing and enhancing research and educational relationships among faculty, alumni, and affiliated units;
- A demonstrated record of success teaching at undergraduate, and master's levels, including
