Job Description

United Arab Emirates University (UAEU), established in 1976 as a federal institution with a focus on intellect, culture, and science, is the oldest and leading university in the UAE. Known for its pioneering spirit, it is one of the top universities in the region, and has a vast and influential alumni network of more than 65,000 graduates. Its pioneering nature is now once more underscored by its strategic project The University of the Future. In line with the United Arab Emirates Centennial Plan 2071 to provide the best education in the world, UAEU aims to realize global eminence and to become the University of the Future in the region. Hence, UAEU launched the "University of the Future" Project, a multi-phase project that re-envisioned the future of UAEU in becoming a world-class, university of the

future, responding to the challenges and opportunities stemming from digitalization, the Fourth Industrial Revolution (4IR), technological innovations, globalization, and major societal challenges. In doing so, its aspiration is to be recognized as “the first world-class university in the country; among the first 20 in Asia; and among the first 200 globally” by 2030.

The College of Business and Economics (CBE), AACSB accredited since 2000, redefined its strategy, accordingly, reflecting its ambition to «be, from a business angle, a catalyst for technologically-driven innovation in relation with the digital economy and the 4IR», and focusing on ? leadership, managerial, business and economic challenges in relation with the 4IR, the digital economy, technologically-driven innovation, and induced business-model innovation; ? accelerated development of graduate education; and ? strengthening corporate relations and internationalization. As part of this strategy, the CBE is now recruiting an Assistant / Associate Professor in Management.

Minimum Qualification

The position The ideal candidate will have a primary research and teaching interest in Management. He/she must be active researcher and have a strong record of scholarly excellence. The position entails teaching at undergraduate and graduate level, strong engagement with practice and the business community, and industry cooperation. Key Duties and Responsibilities The appointed candidate will be expected to:

1. Develop and teach undergraduate and postgraduate courses in management;
2. Engage in innovative and technology-based approaches to learning and teaching;
3. Publish high quality research in leading internationally recognized journals;
4. Participate in the supervision of undergraduate and postgraduate research projects and/or dissertations;
5. Participate in committees at the departmental, college and/or university levels as assigned;
6. Actively engage in promoting the growth of the UAE University; and
7. Engage in industry cooperation and with the business community and professionals.

Requirements and Selection Criteria

- ? A PhD in management or in a related field, from an internationally recognized university;
- ? A research record with emphasis on management; and demonstrated ability to publish in leading international journals;
- ? Strong commitment to excellence in teaching, curriculum development, and outcome assessment;
- ? Experience in teaching at both the undergraduate and postgraduate levels;
- ? Open to cross-disciplinary cooperation in research, teaching and (program) development.
- ? Ability to communicate effectively in English.

Preferred Qualification

Assistant / Associate Professor in Management (305020)
