Job Description

The College of Business Administration is seeking new faculty (Assistant/Associate/Professor level) in the following disciplines:

Innovation & Entrepreneurship
Digital Marketing
Management (Strategy, Leadership, Change Management)
Finance (Financial Markets, Investment, Financial Modeling)
Data Analytics
Supply Chain and Quality Management
Economics

Job Requirements:

PhD Degree directly related to the field of instruction specified.
Graduate of accredited universities which use the credit hour system, and at which English language is the medium of instruction.
Have a minimum of two years teaching experience.
Advanced use of technology in the education process (delivering classes via presentations, using e-learning systems, reports).
Preference will be given to candidates with strong research output
