**Job Description**

The School of Business at the College of Charleston has an opening for an Assistant Professor of Supply Chain and Information Management starting August 16, 2020. The School is accredited by AACSB in both its business and accounting undergraduate programs. We are seeking a candidate to join our faculty in the area of supply chain management and decision sciences with specialization in one or more of the following areas: supply chain planning and analysis, business analytics and statistics; logistics and/or enterprise software. SAP knowledge desirable.

Responsibilities would include developing and teaching courses in one or more of these areas, as well as teaching existing both graduate MBA and undergraduate courses in Business Statistics/Analytics, Supply Chain Management or Operations Management. Candidates should possess a demonstrated ability to teach undergraduate coursework and conduct quality research in one or more of the above-stated areas.
