Job Description

Become an Educator at the Higher Colleges of Technology in the United Arab Emirates.

The HCT Management Team will be interviewing Faculty candidates in London, United Kingdom on January 25-26, 2020 for the following positions:

- Faculty of Business

You may send us your resume at work@hct.ac.ae if you are interested in meeting with the interviewing team in London, UK.

Founded in 1988, the Higher Colleges of Technology (www.hct.ac.ae) is the UAE's largest applied higher educational institution, gaining a well-respected reputation for innovative education practices and job-focused experiential learning.

Approximately 23,000 students attend 16 modern, technology-oriented men's and women's campuses throughout the UAE. HCT offers over 70 academic programs in Applied Media, Business, Computer Information Science, Education, Engineering Technology & Science, and Health Sciences. These programs are all designed in consultation with business and industry leaders and incorporate principles of Innovation and Entrepreneurship to ensure HCT students' skills are up-to-date and to the highest standards. The HCT courses are a hybrid blend of innovative, technology-driven academic studies and work-relevant programs, ensuring that HCT graduates have the necessary 21st-century skills to make positive and lasting contributions to society in the 4th Industrial Revolution.

The HCT 4.0 strategic plan, which is strongly aligned to the goals of the National Employment Strategy 2031, was launched in March 2019 with the theme of Employability and Beyond, and consists of three pillars - “Technical Leaders”, “No Emirati Left Behind” and “Graduate Companies”. HCT 4.0 will equip UAE’s National workforce with future skills required in the labor market, to meet national goals.

All inquiries and applications will be held in strict confidence. Selected candidates are required to start in August 2020.
