RMIT VIETNAM

RMIT is a global university of technology, design and enterprise. We're global in footprint and even more importantly, we're global in mindset. We're committed to making a positive impact wherever we go. The wider our reach, the deeper our connections, the greater our impact.

RMIT University Vietnam (RMIT Vietnam) is a campus of RMIT University with 700 staff and 7,000 students, in three locations, and recently awarded one of the Best Companies to work for in Asia 2020. From a media perspective RMIT Vietnam enjoys a 40% share of voice in the sector. It brings a world-class education and globalised study environment to the heart of Asia, offering programs in business, technology, communication, design, fashion and English language. It boasts an impressive range of extra-curricular activities that encourage students to innovate and network globally.

SCHOOL OF BUSINESS AND MANAGEMENT

Over the last twenty years, RMIT Vietnam's School of Business and Management has established a reputation for excellence in business and management education, providing high quality, industry responsive programs relevant to the national and global marketplace. Our business programs offer fresh perspectives on business problems and we inspire our students to challenge, create, and think outside the box. Further information about the Department of Business & Innovation (Digital Marketing, Logistics & Supply Chain Management, Global Trade, Digital Business, Business Analytics)

OUR REQUIREMENTS

As a Lecturer or Senior Lecturer, you will contribute to the teaching and research efforts of the school, in disciplines in Logistics and Supply Chain Management. Specifically, you will be responsible for carrying out teaching activities across undergraduate, Masters and Graduate Diploma programs and maintain and advance scholarly, research and/or professional capabilities. You will be expected to actively promote the programs by establishing and maintaining memberships, links and partnerships with academic, industry and professional communities.

For further information about this position, please see Position Description below.
