**Job Description**

## **RMIT VIETNAM**

RMIT is a global university of technology, design and enterprise. We're global in footprint and even more importantly, we're global in mindset. We're committed to making a positive impact wherever we go. The wider our reach, the deeper our connections, the greater our impact.

RMIT University Vietnam (RMIT Vietnam) is a campus of RMIT University with 700 staff and 7,000 students, in three locations, and recently awarded one of the Best Companies to work for in Asia 2020. From a media perspective RMIT Vietnam enjoys a 40% share of voice in the sector. It brings a world-class education and globalised study environment to the heart of Asia, offering programs in business, technology, communication, design, fashion and English language. It boasts an impressive range of

extra-curricular activities that encourage students to innovate and network globally.

### **SCHOOL OF BUSINESS AND MANAGEMENT**

Over the last twenty years, RMIT Vietnam's School of Business and Management has established a reputation for excellence in business and management education, providing high quality, industry responsive programs relevant to the national and global marketplace. Our business programs offer fresh perspectives on business problems and we inspire our students to challenge, create, and think outside the box.

Department of Management (Management, Human Resources Management & Entrepreneurship, International Business, Tourism & Hospitality Management, Business Administration)

### **POSITION SUMMARY**

When you join our team as a Senior Lecturer, you will bring your expert knowledge, education and experience to add significant value and impact to the teaching, research and industry engagement related activities involved in this role. As an academic member of staff, you can expect to team across undergraduate and post graduate programs whilst developing your own scholarly, research and professional capabilities. You will actively promote the program through establishing and maintaining networks and partnerships with academic, industry and professional communities (locally and internationally).

[JD - Senior Lecturer, Lecturer, International Business](#)

### **OUR REQUIREMENTS**

- PhD in International Business or related Doctoral qualification.
- Emerging track record and recognition for quality research outputs with the specialist fields of international business related areas, research initiatives and competitive research funding is desirable.
- Previous teaching experience in the above areas.
-
