University of Galway has been inspiring minds since 1845 as a research-led university. University of Galway is one of the oldest and largest universities in Ireland. The campus community includes over 21,000 students and staff and 110,000 alumni located in over 100 countries across the world. University of Galway is counted among the Top 260 universities in the world according to the most prestigious rankings, positioned in the top 2% globally. University of Galway is an international university with global ambition, but with deep roots in the region and nationally. Its location on the very edge of Europe gives University of Galway a unique perspective. University of Galway is at the heart of a distinct and vibrant region, renowned for its unique culture, creative industries, medical technologies, marine ecology and economy, and innovation.

J.E. Cairnes School of Business & Economics is one of three Schools within the College of Business, Public Policy and Law at University of Galway. The school has 2,800 students, over 130 faculty, research and professional services staff, and over 30 undergraduate and postgraduate programmes. The School has successfully attained AACSB and AMBA accreditation as well as EFMD programme accreditation. The School is a member of PRME.

The BIS Discipline is recognised nationally and internationally for excellence in research and teaching through scholarly contribution to academia, industry and contributing to the wider society. The discipline consistently ranks in the top 150 universities in the world in Information Systems, according to the QS World University Rankings by Subject (Computer Science and Information Systems). Discipline staff have recently published in journals such as Information Systems Research, Journal of the Association of Information Systems, Information Systems Journal, European Journal of Information Systems, and Journal of Information Technology. The discipline incorporates the University of Galway branch of Lero, the Science Foundation Ireland Research Centre for Software, a previous winner of the TCSE Distinguished Synergy Award by the IEEE Computer Society Technical Council on Software Engineering (TCSE).
