Job Description

AL-KHOBAR, KINGDOM OF SAUDI ARABIA

Position:Associate/ Full Research Professor

Department:Research Center for Sustainable Entrepreneurship and Competitiveness

School:Prince Mohammad bin Fahd University

Reports to:Dean, College of Business Administration

Introduction

The Research Center for Sustainable Entrepreneurship and Competitiveness (ReSC) aims to develop cooperation with leading scientists, entrepreneurship, and sustainability organizations. It also aims to establish a critical mass of high standards research results on business sustainability by organizing a yearly sustainability international conference and by establishing an international journal on sustainable entrepreneurship and competitiveness.

General Description

Research positions at Associate and Full Professor ranks provide opportunities for advancing the research area in Green Finance, and Green Entrepreneurship through state-of-the-art research. The research faculty are expected to be employed full time in research generating a significant impact through Q1 quartile publications and generating impact on their research area. Double affiliation is not allowed for these positions.
