teaching innovative project management courses is required. A candidate's writing and research accomplishments are also of considerable interest. The rank of the position will be based on experience and qualifications.

The successful candidate will possess a graduate degree, or foreign equivalent, in Management or a closely related field; a PhD degree is a plus. The individual chosen for this position will be expected to play a full role in curriculum development, student advisement, and student events in addition to the primary role of teaching undergraduate, graduate, and executive courses.
