Job Description

MSCA Digital Finance - European Industrial Doctoral Network on Digital Finance has started the recruitment process of the PhD students that will drive forward the digitalisation of finance!

DIGITAL is an internationally recognized network consisting of eight leading European universities (WU Vienna, HU Berlin, University of Twente, Bucharest University of Economic Studies, Babes-Bolyai University, Bern Business School, Kaunas University of Technology and University of Naples) that all rank among the top 200 universities globally in their fields, four major international corporations

(Deloitte, Swedbank, Intesa Sanpaolo and Raiffeisen Bank International AG) with a significant R&D presence across Europe, two specialized firms (Cardo AI and Royaltan Partners) among the most innovative ones in their field, three large and internationally renowned research centres (ARC Greece, EIT Digital and Fraunhofer Institute) and the European Central Bank, as one of the seven principal decision-making bodies of the European Union and the Euratom as well as one of the world's most important central banks. The Bank for International Settlements as well as a large European Private Bank are in the process of joining our Consortium.

The results of the research carried out within DIGITAL are of substantial interest to three leading European-wide research networks that our members either lead or serve on the management committee for COST Action CA19130 Fintech and AI in Finance (240 researchers across 39 European countries), European Consortium of Mathematics for Industry (200 researchers across Europe) and the European Consortium of Innovative Universities (13 European Universities).
