The primary responsibility of the incumbent will be to ensure the compliance of fund utilisation in the programme with the grant agency and university guidelines, including the tracking of grant-related documentation and the handling of procurement and logistics needs. They will also assist with report writing, project management and some research support as needed.

Key Responsibilities:

- Provide support for Finance and Procurement matters including: Generate Purchase Orders (PO) and Good Receipts (GR), raise Purchase Requests (PR); Verify purchases and/or reimbursement claims from the project teams and ensure that there are no unauthorized purchases; Assist to prepare financial documents as required by funding agencies; Liaise with NTU Shared Services (NSS) for procurement-related matters, such as to procure items which require Invitation to Quote (ITQ), ITT (Invitation to Tender), log assets acquired and disposed, and other Finance and Procurement-related matters
- Assist in planning and logistics includes budget planning, invitation letters, flight and accommodation arrangements for Non-Resident Professionals (NRP), processing of honorarium, coordination of visit schedules, preparation and dissemination of seminar announcements to relevant parties.
- Coordinate and arrangement for meetings.
- Support communications between project team, collaborators and stakeholders.
- Perform other project administration tasks as requested by PIs
- Perform other ad-hoc administrative duties
- Monitor progress of research projects
-
