department offers degrees in accounting, business analytics, finance, management, marketing, and logistics and supply chain management in order to develop transformative leaders for service to the world. The department recognizes the breadth of people, thought, and experience that contribute to professions in the accounting field. We welcome everyone interested to build a community that is diverse, respectful, accessible, and inclusive. We are committed to ensuring equitable access to opportunities and resources for people of any race, ethnicity, religious belief, gender identity, age, economic background, disability status, or any other social or physical component of their identity. Through our curriculum, our classrooms, and our outreach to the community, we seek to acknowledge and carefully address existing biases, barriers, and uses and abuses of power and privilege. This commitment to reducing discrimination and promoting diversity and inclusion is rooted in the Franciscan Values of Marian University, which make social justice an indispensable part of our calling.

Essential Duties and Responsibilities:

- * Actively engage the Catholic Franciscan mission and identity of Marian University by modeling the Franciscan Sponsorship Values and honoring the legacy of the founding congregation through transformative education, unity in diversity leadership through service, integrating faith and life, and institutional policies.
- * Share in the ongoing development and implementation of department and school activities and projects.
- * Engage in service and other professional activities.
- * Participate in the life of the campus and university service, including participation in faculty governance and co-curricular programs.
- * Manage classroom projects and student led teams
- * Facilitate, mentor and coach students
- * Help students develop key skills related to communication, teamwork and problem solving.
- * Assist students in developing career plans
- * Connect students with internship and employment opportunities
- * Other duties as assigned.

Required Qualifications:

- * A master's degree in business management accounting, finance or a closely related field or a CPA with professional experience and/or teaching experience.
- * Demonstrated potential for excellence and innovation in student-centered instruction.
- * Experience working with students at varying levels of abilities.
- * Demonstrated interest in curriculum and program development.
