Eligible candidates must have completed a Ph.D. or expect to complete a Ph.D. in Health Services Research, Health Policy, Economics, Finance, or a related field or related areas prior to beginning employment. Applicants must have a scholarly record consistent with rank. Such a record, depending on rank, would include publications in the top refereed journals of the field; outstanding pedagogical skills; and a willingness to actively engage within our department, school, and broader communities. Demonstrated teaching excellence, particularly in the core areas of health economics, health care management and policy, and population health is especially desired.

**Responsibilities also include:** Instruction of 3-4 courses (9-12 credits) per academic year, lecturing, leading class discussions and conducting other teaching activities during scheduled classes; creating, administering and grading using appropriate assessment methods; holding office hours and providing additional support for students outside the class periods; calculating and submitting grades for all students; collaborating with the chair and faculty of the HMP Department to create coursework or support the department's mission; following established expectations and protocols for the department and to stay current in the field.

**APPLICATION PROCESS:**

For consideration, please apply at the UM Careers website <https://umiami.wd1.myworkdayjobs.com/UMFaculty> and submit the five PDF documents listed below (no larger than 5mb per document):

1. Curriculum Vitae (including the contact information of three references)
2. A representative example of one's research
3. Brief research and teaching statements
4. A copy of the graduate transcript
5. Information about teaching experience and evaluations (if available)

Please forward a minimum of three (3) reference letters and any additional inquiries to [HMPrecruiting@bus.miami.edu](mailto:HMPrecruiting@bus.miami.edu).

Candidates are urged to submit all required material as soon as possible. Review of applications will begin immediately and continue until the position is filled. If you have any questions about this position, please e-mail [HMPrecruiting@bus.miami.edu](mailto:HMPrecruiting@bus.miami.edu).

The University of Miami is an Equal Opportunity Employer—Females/Minorities/Protected

Veterans/Individuals with Disabilities are encouraged to apply. Applicants and employees are protected from discrimination based on certain categories designated by Federal law.

### **ABOUT THE MIAMI HERBERT BUSINESS SCHOOL:**

MHBS is a comprehensive business school, offering undergraduate business, full-time MBA, Executive MBA, MS, PhD, and non-degree executive education programs. It is one of 12 colleges and schools at the University of Miami, which is in residential Coral Gables, Florida. The University is part of a major hub of international trade and commerce and acclaimed for its global orientation and the diversity of its faculty, students, and curriculum.

### **TRANSFORMING LIVES**

The University of Miami is among the top research universities and academic medical centers in the nation, and one of the largest private employers in South Florida. With more than 16,000 faculty and staff, the University strives for excellence and is driven by a powerful mission to transform and impact the lives of its students, patients, members of the community, and people across the globe.

The University of Miami is committed to fostering a culture of belonging, where everyone feels valued and can make important contributions. Through the values of Diversity, Integrity, Responsibility, Excellence, Compassion, Creativity, and Teamwork (DIRECCT), "The U" community works together to create an environment driven by purpose, excellence, community, and service.

### **ABOUT THE HEALTH MANAGEMENT AND POLICY DEPARTMENT:**

In addition to teaching, HMP faculty are actively engaged in research, and in recent years, members of the Department have published their research in a wide variety of top-tier academic journals, including the *Journal of Health Economics*, *Health Affairs*, *Human Relations*, *Health Services Research*, *Medical Care*, *Social Science and Medicine*, *Health Economics*, *Journal of Human Resources*, and many others. Department members are active on the editorial boards of numerous journals and have served as Editors and Associate Editors of various academic journals. The Department maintains an active seminar series and hosts the annual Business of Health Care Conference. The Department also has undergraduate, Master of Health Administration (MHA), Health Executive Master of Business Administration (HEMBA), and MD/MBA programs.
