the UAE, recognized globally for its commitment to delivering learner-centered, high-quality smart learning. In alignment with our mission to foster innovative education, we invite applications for a full-time Assistant/Associate Professor position in the Quality Management and Innovation Program.

Main roles & responsibilities

The successful candidate will play a vital role within the school of Business and Quality Management. Responsibilities include:

- **Teaching:** Deliver engaging courses utilizing advanced online learning platforms and innovative technologies.
- **Curriculum Development:** Design instructional materials and e-content tailored to the field of Management.
- **Mentorship:** Guide, advise, and mentor students throughout their academic journeys.
- **Professional Development:** Create and facilitate professional short courses and workshops aimed at specific target groups and professional communities.
- **Research:** Enhance the academic landscape by publishing research findings in high-quality, peer-reviewed journals. Developing proposals and pursue funding opportunities for research related to Management or associated fields are a plus.
- **Service:** Undertake necessary responsibilities to support academic programs and their accreditations.

Required qualification & skills

Candidates should possess the following qualifications and skills:

- A Ph.D. in Management from an AACSB-accredited university.
- The candidate should be capable of teaching at undergraduate and graduate levels in quality management. Preferences will be given to those who are willing to teach innovation, strategy and Entrepreneurship.
- A demonstrated record of successful teaching experience at an AACSB accredited university.
- Experience in online/e-learning environments is preferred.
- Ability to integrate industry insights into curriculum development and classroom instruction.
- Proven capability in developing and delivering professional workshops.

Rank and Appointment:

Candidates will be appointed as Assistant or Associate Professor based on the following criteria:

**Assistant/Associate Professor in Management
Hamdan Bin Mohammed e-University**
