carry out activities to maintain and develop her/his scholarly, research and/or professional activities relevant to the profession or discipline. The academic will teach and administer undergraduate, postgraduate and executive education programs in the area of Econometrics and Business Statistics within the School. The academic will also be responsible for undertaking activities that maintain and develop scholarly research and the professional activities that are related to the discipline.

KEY RESPONSIBILITIES

1. Contribute to curriculum development, innovation, enhancement and quality assurance in the undergraduate and postgraduate units
2. Deliver innovative and excellent teaching, learning and assessment experiences for undergraduate and postgraduate students
3. Conduct original research, developing an active record of publication and starting to build a profile of grants and supervision
4. Participate in collaborations with other universities and with government, industry and/or civil society to drive research impact and educational excellence
5. Support the management of education, research and/or administration in the School through, for example, participation in committees

KEY SELECTION CRITERIA

1. A doctoral qualification (PhD) or equivalent qualification
2. Demonstrated ability to teach in a university environment
3. Demonstrated ability to produce excellent research and supervision of Undergraduate/Honours students
4. Demonstrated ability to work with partners in universities, government and/or civil society
5. Demonstrated skills and experience in collaboration and teamwork
