The University continues its legacy as a top producer of teachers in New Jersey and is a growing educational hub in the fields of business, health care and technology. Its six colleges – the College of Business and Public Management; the College of Education; the College of Liberal Arts; the Dorothy and George Hennings College of Science, Mathematics and Technology; Michael Graves College; and the College of Health Professions and Human Services - offer more than 50 undergraduate programs and more than 70 options for graduate study, leading to master's degrees, doctoral degrees, professional diplomas or certifications.

The University is also a higher education innovator within the State of New Jersey, partnering with Ocean County College, in Toms River, New Jersey and Brookdale Community College, in Lincroft, New Jersey, to provide access for students to earn a bachelor's degree from Kean. The Kean Skylands campus, located in Jefferson Township, New Jersey, is designed to serve as an outdoor living laboratory for field-based scientific study and other classroom and field instruction.

Kean faculty members are recognized for teaching distinction, scholarship and service. We are excited to grow our faculty and invite applications for academic year 2025-2026. Faculty positions are ten-month, full-time, tenure-track assignments at the rank of Assistant or Associate Professor, effective for the fall 2025 semester. Teaching assignments may be assigned at any of Kean's New Jersey locations – Union, Ocean, Princeton, Skylands or for Kean Online and may include day, evening and weekend courses. Evening hours are required based on department needs for teaching evening courses and for most graduate course assignments.

All tenure-track faculty are expected to demonstrate a commitment to teaching excellence and an on-going program of research and publication or creative and performance activity. Participation in curriculum development, student advisement and service at the departmental, college, university and community level is required. Proficiency in a Learning Management System is also required, consistent with University guidelines.

### **College of Business and Public Management, Department of Management**

**Business Analytics/Supply Chain Management** –seeking a dedicated scholar and educator to teach and conduct research in Business Analytics/Supply Chain Management. There is an opportunity to teach in both the undergraduate and MS program. In addition to teaching and research, responsibilities include student advisement, community service, ongoing program assessment work and assisting with the growth of a new MS program in Business Analytics and Supply Chain Management.

**Qualifications:** Doctorate degree in Management or a related discipline is required, preferably from an AACSB or EQUIS accredited institution. Teaching experience and a strong documented record of

research that supports publication in peer reviewed journals or publication venues appropriate for the discipline are also required. Candidates with a wide research focus in areas of Business Analytics or Supply Chain Management will be given priority consideration. Relevant practical business experience is desired and experience in emerging technologies including AI is preferred. ABD candidates will be considered with degree completion by September 1, 2025.

Please submit a cover letter, resume, statement of teaching philosophy and contact information for three professional references. Review of applications will begin immediately and continue until position is filled. Official transcripts are required before appointment. Salary is competitive and commensurate with qualifications and experience. A comprehensive benefits package is included.
