Job Description

The School of Business at Stevens Institute of Technology invites applications for a full-time tenure-track faculty position in Innovation and/or Entrepreneurship at the Assistant or Associate Professor level to begin in September 2025. This position is contingent upon final budget approval. Candidates must have earned (or completed all requirements for) a Ph.D. (or foreign equivalent) in Management or a closely related field before September 2025. We are interested in candidates with research and teaching interests that relate to creativity and innovation, technology innovation management, and/ or entrepreneurship. The appointment level will be commensurate with the individual's record and

experience.

Members of our faculty are expected to conduct original research of high quality, teach effectively, and contribute to the academic environment. Regarding research, candidates must have a commitment to research leading to top scholarly publications (FT50). Regarding teaching, candidates are expected to teach courses at both the undergraduate and graduate levels. The School offers excellent support for faculty research and a reasonable teaching load.

Application Procedure

Candidates should express their interest in being considered by emailing Yadilsa Gomez (ygomez1@stevens.edu) with the subject "TT Management Application". Please include in your email a letter of application, CV, research statement, teaching statement that includes a) teaching interests, b) teaching philosophy, and c) a plan on how to create an inclusive environment for students of all backgrounds in terms of classroom teaching, student advising, and graduate student mentoring, and a job market paper. Applications without these documents will be considered incomplete and will not be reviewed. If available, please also include teaching evaluations in your email. In a later stage, teaching evaluations will be encouraged and three letters of recommendation will be required.

About the Organization

The School of Business is AACSB accredited and offers three PhD programs, two MBAs, eleven Master's degrees, and eight undergraduate majors. These offerings, many of which have been ranked among the best in the country, are across a wide range of business disciplines and share a common emphasis on leveraging innovation, technology, analytics, and leadership for business success. For more information, visit www.stevens.edu/business.

Stevens Institute of Technology is a private institution serving over eight thousand students. It is the home of NJFAST, a new public-private-academic partnership that will be an accelerator for startups in finance and insurance. The School of Business will play a central role in NJFAST and provide faculty with rich research and executive education opportunities.

Stevens is located directly across the Hudson River from New York City, in Hoboken, NJ. Hoboken is a vibrant, walkable community and has been ranked among the twelve best college towns in the country by Princeton Review.
