Job Description

The Strome College of Business at Old Dominion University seeks highly qualified applicants for a tenure track Assistant Professor position in the Department of Information Technology & Decision Sciences beginning **July 25, 2025**. This Assistant Professor will teach a variety of Business Analytics, Business Statistics, Management Science, and Operations Management courses.

Minimum required education and/or special licenses, registrations, trainings, or certifications Applicants must have a Ph.D. degree with an emphasis in Business Analytics, Management Sciences, Business Statistics, Operations Management, or a related field from an AACSB accredited business school.

Ph.D. student applicants in an All-but-Dissertation (ABD) status will be considered, if and only if they will receive a qualified Ph.D. degree before the time of appointment.

Minimum required level and type of experience, knowledge, skills, and abilities

1. Capability of teaching courses in the fields described in the Job Description
2. Ability to publish research articles in high-quality academic journals.
3. Excellent oral and written communication skills.

Preferred Qualifications

- Accepted /published articles or with a well-established research pipeline;
- Prior publications in high-quality research journals or other evidence of research potential;
- Previous teaching experience in business analytics, operations management, and supply chain management at the college level;
- Proficiency in Excel, R, data mining tools, mathematical programming software, data analytics, and related areas;
- Interest in industry and/or business community engagement experience.

Application Instructions

Applicants must apply via **https://jobs.odu.edu/postings/21833** and submit the following:

1. A letter of interest
2. Curriculum vitae
3. A statement of teaching philosophy.
4. A statement of research interests
5. Teaching evaluations (if available).
6. Unofficial/official graduate transcripts.
7. Contact information for three professional references. If your application progresses in the search, the application site will request letters of recommendation from these individuals

Should you have any questions, please contact Dr. David Cook at dcook@odu.edu. Review of applicants will begin **November 20th, 2024.** The position will remain open is filled.
