### **Assistant Professor of Business Analytics**

The College of Business Administration (CBA) at Ajman University, has an opening for the position of Assistant Professor of Business Analytics, starting in Fall 2025. The selected candidate will have primary teaching and research interests in Business Analytics and will be expected to teach in graduate and undergraduate programs. The selected candidate will also be expected to actively engage with the business community. Preference will be given to candidates experienced with capstone analytics courses that engage students with industry partners to work on real-world business problems. The College of Business Administration is accredited by AACSB.

### **QUALIFICATIONS & EXPERIENCE:**

- Ph.D. in Business Analytics or related fields (Management Science, Operations Management, Industrial Engineering, Information Systems) obtained from a reputable university, preferably an internationally ranked institution that is also accredited by AACSB
- Two or more years of teaching experience in an internationally reputable university, preferably accredited by AACSB
- Demonstrable record of excellence in developing and teaching (but not limited to) business/data analytics, software applications for business in optimization, business intelligence, and related courses at both the undergraduate and graduate levels
- Outstanding record of research and peer-reviewed publications in top-tier analytics, operations, and management journals
- Record of collaborative and interdisciplinary research would be an advantage
- Demonstrable record of supervising student projects and dissertations
- Excellent record in professional and community service

### **ESSENTIAL DUTIES & RESPONSIBILITIES:**

- Design, deliver and assess graduate and undergraduate courses in Business Analytics, Business Intelligence, Operations Management and related areas
- Engage in innovative and technology-based approaches to teaching and learning
- Provide academic advising services to students
- Conduct high quality research and publish research outcomes in reputable journals and conferences
- Participate in committee and other service tasks at the department, college and/or university levels as assigned
- Actively engage in promoting the growth and visibility of Ajman University

- Provide consultancy and other industry-facing services to Ajman University partners and members of the business community
- Actively seek out methods, procedures and resources to best achieve course and lesson objectives
- Perform miscellaneous job-related duties as assigned

### **APPLICATION PROCESS**

A completed application will include:

- A letter of interest addressing qualifications for the position.
- A current curriculum vitae.
- A statement of teaching and research philosophy.
- Copies of transcripts of doctoral (or other highest, as applicable) coursework.
- A list of three professional references with names, titles, phone numbers, and email addresses- including a current or previous supervisor
