ABOUT VINUNIVERSITY'S FACULTY 200

Aligned with VinUni's Vision 2030, VinUniversity are proud to announce our bold initiative to recruit? **200 Research-focused Faculty**? across various disciplines in the next 5 years, who will help elevate the University's research, innovation, and academic excellence to unprecedented heights. Together, we will be on the ambitious journey to become one of the world's top universities by 2030.?

This is an extraordinary opportunity for distinguished individuals to shape the future of academia in Vietnam and beyond, contributing to transformative research that will inspire change and elevate communities globally. Join us in revolutionizing education, advancing society, and creating lasting impacts through groundbreaking research.

THE OPPORTUNITY

College of Business & Management and College of Arts & Sciences are looking for **Talented Research-focused Faculty** in the following areas:

- Areas of interest: Green Societies and Green Transformation; Socio-ecological Diversity; Innovation and Cultural Heritage Conservation, Policy Lab.
- Ranks: Professor/Associate Professor/Assistant Professor.

POSITION RESPONSIBILITIES

The faculty members will be responsible for three primary responsibilities:

- Research: Perform original research, and publish scientific findings in top venues with high citations, supervise student research. Your research projects will be implemented in collaboration with **Research Center of Policy Development and Sustainable Societies**? to foster impactful outcomes.
- Teaching: Develop and instruct classes, provide academic advising, and participate in developing the programs and curriculum that meet the quality standards.
- Service: Assist with recruitment, admission, service to the university, profession, and community.

Join us if you have:

- A deep passion for educating future talents, advancing science and technology with a robust pipeline of innovative projects.
- Proven track record of high-impact research with publications in top-tier journals in the respective field.
- A clear vision to make a meaningful impact on both your field and society driven by a commitment to forward-thinking research and innovation.
- Adaptability and eagerness to tackle new challenges, particularly those addressing global and local issues, with a focus on research-driven solutions for Vietnam and the world.
- A doctorate from a prestigious institution recognized globally.
- Exceptional written and verbal communication skills in English.
- Respect and appreciation for the core values of VinUni: EXCEL (E: Empathy, X: Exceptional Capability, C: Creativity, E: Entrepreneurial Spirit, and L: Leadership Mindset).

COMPENSATION & BENEFITS

- Competitive salary, compensation, and benefits, benchmarked against leading international institutions.
- A start-up fund of up to US\$200,000 to establish the research pipeline, supporting the recruitment of Research Fellows and Research Assistants.
- Applications for Seed Grants and substantial research funding, with project allocations up to US\$500,000 for larger initiatives.
- Annual professional development fund of US\$6,000 to support continuous scholarly growth.
- Ongoing career development opportunities, including access to development and mentorship programs from distinguished professors at globally renowned universities such as the University of Pennsylvania.
- Engagement in interdisciplinary research at VinUni's centers and across the Vingroup
