Job Description

About HKUST(GZ)

Formally established in June 2022, the Hong Kong University of Science and Technology (Guangzhou)(HKUST(GZ)) is a cooperatively run university between the Chinese mainland and the Hong Kong Special Administrative Region. With a spirit of pioneering innovation, HKUST(GZ) charts new territories in cross-disciplinary education and explores new frontiers in pedagogies, aiming to serve as a role model of the mainland-Hong Kong integrated educational development and become a world-famous high-level university, endeavoring to nurture future-oriented, high-level and innovative talents.

In response to the increasingly complex challenges faced by the rapidly changing world, HKUST(GZ) adopts a brand-new and cross-disciplinary academic structure featuring "Hub" and "Thrust" to substitute the conventional one characterized by 'school' and 'department', facilitating cross-disciplinary integration while vigorously developing emerging and frontier disciplines. This is a groundbreaking move in the higher education community across the globe, HKUST(GZ) comprises four Hubs, namely Function Hub, Information Hub, Systems Hub, Society Hub and sixteen thrusts. At steady state, the HKUST(GZ) community will consist of 800 faculty members, 4000 undergraduates and 6000 postgraduates.

About IPE Thrust

The Innovation, Policy and Entrepreneurship Thrust in the Society Hub at the Hong Kong University of Science and Technology (Guangzhou) aims to conduct cutting-edging research and disseminate knowledge to assist economic and social development of the Greater Bay Area (GBA) and beyond. The IPE Thrust has doctoral and master's program (Msc: Master of Science and Technology Policy). For more information about the IPE Thrust, please visit <https://hkust-gz.edu.cn/academics/four-hubs/society-hub/innovation-policy-and-entrepreneurship>.

The Innovation, Policy and Entrepreneurship Thrust invites applications or nominations for multiple faculty positions at all ranks (Professor / Associate Professor / Assistant Professor) in the areas of Innovation, Policy and Entrepreneurship. The IPE Thrust has a diverse faculty and promotes interdisciplinarity teaching and research. We welcome applicants with research focus in the following areas, including but not limited to:

- Science and technology policy
