Teaching Responsibilities (4/4 Load, 12 credit hours/semester)

Core Courses: Production & Operations Management; Business Statistics; Supply Chain Management (others as needed).

Course Development: Design and develop new undergraduate courses aligned with departmental and school strategic objectives, employing innovative teaching methods to support diverse learners.

Service and Engagement

Participate in service activities, such as student mentoring and committee assignments.

Required Qualifications

- Applicants must have a graduate degree or higher in Supply Chain Management, Operations Management, Industrial Engineering, or a closely related business discipline from an AACSB?accredited institution.
- Candidates should possess demonstrated experience in teaching or the ability to teach undergraduate coursework.
- Strong oral and written communication skills.

Preferred Qualifications

- Professional experience in Supply Chain Management or Operations Management is highly valued.
- Enthusiasm, collegiality, and strong interpersonal skills, with the ability to collaborate across disciplines and engage effectively with students

Application Instructions

Qualified candidates should submit their application package to the College's PeopleAdmin™ site at <https://jobs.cofc.edu/postings/16670>, including:

- (1) Letter of application addressing your fit with the position,
- (2) Curriculum vitae
- (3) Unofficial graduate transcripts (official transcripts will be required for hiring),
