to nurture socially responsible leaders and professionals, as well as to drive impactful research and innovation. PolyU will strive to continually excel as an innovative world-class university that makes a positive impact on society, living up to the University's motto: "To learn and to apply, for the benefit of mankind".

Ranked among the top 100 universities globally by well-known ranking organisations such as Quacquarelli Symonds (QS), Times Higher Education (THE) and U.S. News & World Report, PolyU offers a wide range of world-class educational and research programmes in seven faculties and three independent schools. PolyU has furthermore achieved commendable results in the QS World University Rankings by Subject 2025 – it is ranked in the global top 30 for seven subjects, is first in Hong Kong for three subjects, and is in the global top 100 for 26 subjects. For further details about the University, please visit PolyU's website at <https://www.polyu.edu.hk/>.

DEPARTMENT OF LOGISTICS AND MARITIME STUDIES

Associate Professor in Supply Chain and Operations Management(Ref. 250605004)

The Department of Logistics and Maritime Studies is one of the constituent departments of the Faculty of Business. The Department offers a full range of degree programmes in supply chain and operations management, maritime studies and others. The Department takes a multi-disciplinary approach to establishing an area of excellence in logistics, supply chain, and operations management. It strives to be a key player in Hong Kong's pursuit to become an international logistics hub.

The Department's research portfolio lies in both academic and applied research. Professional services to industries are also provided by the academic staff in the form of consultancy in such areas as efficiency and quality improvement studies, market and operational analyses, optimisation, production, purchasing, and supply chain management. The Department also runs various self-financed programmes tailor-made to meet specific industry needs.

Please visit the website at <http://www.lms.polyu.edu.hk> for more information about the Department.

Duties

The appointee will be required to:

- (a) undertake teaching duties at various levels in the area of Supply Chain and Operations Management;

- (b) supervise undergraduate and postgraduate research projects and theses;
- (c) conduct research in related areas and contribute to the development of the Department's research strengths;
- (d) initiate, lead and participate in scholarly research in their areas of expertise and be active in research leading to quality journal publications and in bidding for external research grants and applied research projects;
- (e) engage in programme/curriculum planning, development and administration;
- (f) undertake relevant administrative duties; and
- (g) perform any other duties as assigned by the Head of Department or his delegates.

Qualifications

Applicants should have:

- (a) a PhD degree in a related discipline;
- (b) substantial years of relevant post-qualification and solid experience in teaching and a strong commitment to excellence in teaching and research;
- (c) a proven record in research and scholarships; and
- (d) qualities of creativity, initiative and leadership.

Preference will be given to those with prior business/managerial experience in related industries.

Conditions of Service

A highly competitive remuneration package will be offered. An appropriate term will be provided for appointment at Associate Professor level. For general information on terms and conditions for appointment of academic staff in the University, please visit the website at <https://www.polyu.edu.hk/hro/docdrive/careers/doc/Prof.pdf>.
