Job Description

The Massachusetts Institute of Technology (MIT) Sloan School of Management at 77 Massachusetts Avenue, Cambridge, MA invites applications for a Tenure-Track Assistant Professor position in Operations Research and Statistics (OR/Stat) beginning **July 1, 2026**, or as soon thereafter as possible. Strong applicants will demonstrate the potential for research and teaching excellence in any of the sub-fields of Operations Research and Statistics, including Data Science, Optimization, Statistics, Analytics (including applied Machine Learning and AI), and/or Operations Research broadly construed. We are especially interested in candidates who can build a strong methodological research base, contribute to application areas of high impact, and successfully teach in our undergraduate, MBA, MBAnalytics, and/or PhD programs. Duties will include teaching undergraduate and/or graduate level courses in Operations Research, Statistics, and Data Science, and conducting original scholarly research in Operations Research, Statistics, Data Science, or related fields. The MIT Sloan School of

Management offers supportive mentorship to new faculty, an exceptional environment for scientific inquiry, and a strong commitment to an inclusive, welcoming culture.

Qualifications

Applicants should possess a PhD in Operations Research, Statistics, Industrial Engineering, Computer Science, or a related relevant field by the start of employment.

Application Instructions

Applications must include an up-to-date curriculum vitae, three letters of recommendation, a personal statement describing research experience and aspirations, and a personal statement describing teaching aspirations and any teaching experience.

Applications should be submitted in full by **November 10, 2025**.

Applications can be submitted through this link: <https://apply.interfolio.com/172023>

*Applicants are encouraged to initiate the submission of their materials by **October 16, 2025** (10 days prior to the INFORMS Annual Meeting) in order to facilitate the potential for discussions at the meeting.*

EEO/AA Policy

Massachusetts Institute of Technology is an equal employment opportunity employer. All qualified applicants will receive consideration for employment and will not be discriminated against on the basis of race, color, sex, sexual orientation, gender identity, religion, disability, age, genetic information, veteran status, ancestry, or national or ethnic origin.

Background Check Policy

Employment is contingent upon the completion of a satisfactory background check, including verifying any finding of misconduct (or pending investigation) from prior employers.
