## **Aviation Management - (Assistant / Associate / Full Professor)**

### **Overview**

University of Doha for Science and Technology (UDST) is the first national applied University in the State of Qatar, offering applied bachelor's and master's degrees in addition to certificates and diplomas in various disciplines. UDST has over 50 programs in the fields of Engineering Technology and Industrial Trades, Business Management, Computing and Information Technology, Health Sciences, Continuing and Professional Education.

With more than 700 staff and over 8,000 students, UDST is the destination of choice for applied and experiential learning. The University is recognized for its student-centered learning and state-of-the-art facilities. Our faculty are committed to delivering pedagogically-sound learning experiences that incorporate innovative learning technologies. Our aim is to enhance students' skills and help develop talented graduates who can effectively contribute to a knowledge-based economy and make Qatar's National Vision 2030 a reality.

The College of Business Management invites applications for the position Assistant, Associate, or Full Professor in Aviation Management.

### **Responsibilities**

Reporting to the Department Head, the successful candidate will be responsible for the development, delivery and evaluation of a broad range of courses within the domain of aviation, airport management, and related laws and logistics. S/he will evaluate student progress and manage the resources of the learning environment. The successful candidate will liaise with industry and other educational institutions; participate in industry advisory committees and coordinate, manage and control projects within the specified program area. Faculty members will keep course portfolio documents required for accreditation processes and engage in instructional development/improvement plans. All employees are expected to contribute to professional and community life within the College and beyond.

## **Qualifications**

### **Education and Experience Requirements**

Faculty members will be placed in the appropriate rank based on their education and experience. The broad criteria are provided below.

#### **Education**

PhD and a master's degree in aviation management or in a related field from an internationally recognized university, an undergraduate degree from an accredited university.

#### **For Assistant Professor**

##### **Experience**

- A minimum of 3 years teaching experience in a post-secondary, adult training or industry training environment, along with preferably 3 years of employment experience in the aviation management industry.
- A distinguished research record and international reputation evidenced by high quality publications in leading journals.
- Excellent record of supervising high caliber research students.
- Demonstrated leadership in building engagement and partnerships within the profession and industry.

##### **Preferred Qualifications**

- Professional Certifications relating to aviation management.
- Diploma in Education (e.g. Post-secondary Education, Adult Education or Vocational Education) is preferred.
- 6+ years of employment experience as a practitioner/professional within the relevant discipline.
- Teaching experience in post-secondary, adult training, or industry training environment.
- Experience in leadership and innovation in technology-based projects.

#### **For Associate Professor**

##### **Experience**

- A minimum of 8 years teaching experience in a post-secondary, adult training or industry training

environment, along with at least 3 years of employment experience in the aviation management industry.

- 
- A distinguished research record and international reputation evidenced by high quality publications in leading journals.
- Excellent record of supervising high caliber research students.
- Demonstrated leadership in building engagement and partnerships within the profession and industry.

**Preferred Qualifications**

- Professional Certification relating to aviation management.
- Diploma in Education (e.g. Post-secondary Education, Adult Education or Vocational Education) is preferred.
- 10+ years of employment experience as a practitioner/professional within the relevant discipline.
- Teaching experience in post-secondary, adult training, or industry training environment.
- Experience in leadership and innovation in technology-based projects.

**Other Required Skills:**

- Commitment to applied and experiential learning as a pedagogy.
- Ability to design, develop, deliver, and evaluate authentic learning experiences and assessments. These should incorporate contemporary tools and resources to maximize content learning in context, and to develop the knowledge, skills, competences and attitudes identified in program outcomes.
- Digital literacy and demonstrated fluency in technology systems, and an ability to model and facilitate use of current and emerging digital tools to support research and learning.
- Demonstrated ability to develop technology-enriched learning environments that enable students to be active participants in their own learning.
- Commitment to the effectiveness, vitality, and self-renewal of the teaching profession through self-driven continuous professional development and life-long learning.
- Effective oral and written communication skills.
- Collaborative and collegial spirit and a demonstrated ability to establish rapport with learners, colleagues, sponsor-employers, and members of the community.
- Ability to initiate applied research projects.

Applicants must meet all essential qualifications in order to be shortlisted for the position; other qualifications may be a deciding factor in selection. Qualifications and experience will be assessed through your application, which may include but not be limited to curricula vitae, cover letters, references, teaching dossiers and sample publications. It is the applicant's responsibility to provide appropriate examples that illustrate how s/he meets each requirement. Failing to do so could result in the application being rejected. We thank all applicants for applying for the role; only those selected for further consideration will be contacted.
