Job Description

A Doctorate (NQF Level 10) in Accounting, Finance or Taxation with at least six years of lecturing experience at tertiary education level and/or industry experience or an equivalent combination of relevant professional experience. Excellent English communication skills (oral and written). Proven competence in successful sourcing of research or project funding from third party sources, successful initiation and management of research projects, curriculum development, and strong management/organisational and mentorship skills. Competence to teach at least three of the following courses: Advanced Financial Accounting & Reporting, Strategic Business Analysis and Strategic Business Reporting. Competence to establish professional networks and to maintain links with the industry, and experience in developing postgraduate programmes. A credible record of lecturing, peer-reviewed publications, community engagement, programme coordination, as well as supervision of students (research) at both under- and post-graduate levels, a sound research profile with Google Scholar h-index of 4 and successful supervision of Master's (research) students will be an advantage.
