Candidates must have demonstrated potential for outstanding teaching at the collegiate/university level and prior experience serving on department, college, university, and/or professional committees.

Minimum Qualifications - Education or training

Candidates are required to have a Master's degree or higher in Park, Recreation, & Tourism Management or a closely related field.

Minimum Qualifications - Special licenses, registration or certification

Preferred Qualifications

- An earned Doctoral Degree in Park, Recreation & Tourism Management or a closely related field.
- Professional experience in the Park, Recreation, or Tourism Management industry.
- Demonstrated evidence of excellence in teaching at the collegiate/university level.
- Ability to work in a diverse and multicultural community.
