<b>Job Description</b>	

Muscat University is looking to grow its Faculty of Business & Management through the appointment of a Lecturer / Senior Lecturer in Digital Marketing. With an ethos of providing an exceptional student experience, the post holder will work with the Faculty Director to ensure efficient and effective delivery of modules. S/he will be responsible for ensuring that curriculum management and enhancement activities comply with required standards of the Oman Academic Accreditation Authority (OAAA).

For appointment to the Lecturer rank, a minimum of a PhD qualification in Marketing, Digital Marketing, or a closely related field is required along with experience of Higher Education (HE) teaching.

For the SL rank, a minimum of a PhD qualification in Marketing, Digital Marketing or a closely related field is required from an accredited university, ideally UK based and AACSB accredited, good research profile, and a minimum of three years' post-doctoral HE teaching (including at master's level). Experience of the UK HE sectors and/or the Omani and GCC HE environments would be an advantage, as would strong links to industry, and experience of an international context. In addition to

teaching, the post-holder at the SL level will be responsible for developing and supervising research projects, enhancing collaborative activities with industry and practicing leading-edge research through an international publication record.

The overall economic landscape in The Sultanate of Oman has been constantly improving over the years due to progressive governmental plans, policies and strong regulations. Human capital and research are key pillars underpinning these efforts in the national level and Muscat University is well-placed to play an important role as facilitator through its vision to empower individuals and communities through transformative learning and teaching, informative research, and proactive industry engagement in Oman and the GCC region.

Possessing a CMI or related marketing qualification and/or Experience is desirable and will be given preference.

We acknowledge, understand, and embrace diversity and expect joining faculty to display and apply the same principles.

### Key Duties and Responsibilities

- Deliver high-quality teaching experience on Marketing modules at the undergraduate and postgraduate level.
- Construct, plan, and assess student assignments.
- Liaise with the Faculty Director on all student matters including timetabling, academic and technical support.
- Undertake the role of Student Advisor/Personal Tutor.
- Undertake research and scholarly activity with a view to publishing in refereed international academic journals.
- Engage with external Marketing related bodies and industry to enrich the student experience, including visiting students on industrial placement.
- Participate in University meetings and events including Board of Examiners, Programme Reviews, Planning and Monitoring Committees and Staff/Student Liaison.
- Maintain flexible working patterns which may include some evening and weekend work in support of Programme/Faculty/University business.
- Actively engage with businesses/professional bodies/schools and colleges/communities/enterprises, etc., organize student outreach and invite industry speakers to enhance the student experience and facilitate industrial placement of students, as appropriate.
